# MAKE STOCKS QUIET

NEW YORK. Sept 13.—Increasing uncertainties in the labor situation and the mid-week recess combined to curtail operations in the stock market, but price tendencies were firmer and in several noteworthy instances materially blinks. higher. Inited States Steel was the one out-

Inited States Sized wan the one out-inding exception in the active list, reflecting the tense conditions created by the controversy with the organized itsel workers, but affiliated shares dis-played a firm to strong tone. A large proportion of the trading centered in equipments and oils, the former secring substantial advances on reports indicat-ing the early placing of large contracts for railroad supplies while the latter owed their strength to good earnings and increased use of raw and refined products.

nation, indifferent carnings and discussion regarding latest phases of federal logislation offering little encouragement for early relief or improvement in the ransportation situation.

ransportation situation.

Foreign exchange assumes a more ritical aspect from the further collapse of rates to former enemy countries, especially Germany.

Call loans hardened on the withdrawal of funds by interior institutions but the upply of time money increased slight y at 6 per cent, although offerings wer mited to the shorter maturities.

## ROUND THE TICKER

Cotton

New Orienne—The market is held inrestraint by the furricane, which now
everybody acknowledges minody knows
anything about. It seems to be a toes
up where it will atrike inland, to the
west of the Mississippi river or to the
west of the Mississippi river or to the
east, ar whether it will strike inland
at all. At the moment the sun is shining brightly and yet the weather bureau
said has nighe that the hurricane would
break on New Orienne before dawn and
gave advice to people regarding the
safest thing to do wills the storm was
in progress.—Shepard & Cluck.

New York—Very small business; some
outside selling with traders doing itttle; waiting developments—Hubbard to
Reese.

New York—If private reports confirm National Ginners deterforation for first saif of September look for steadily ad-ancing market but don't expect any oig advance until the treaty is signed. Buy reports poor condition in northeast texas.—Little to McFall.

Texas.—Little to McCall.

Western Cotton Belt Forecast—Louisiana: Rain in east and south: partly
cloudy in northwest; dangerous east
gales in south portion, probably reaching hurricane force. Changed to weststry on west coast and to southerly on
cast coast, high tide: every precaution
should be exercised in South Louisiana.
Arkansas: Generally fair, except rain
in east portion. Oklahoma: Generally
isir, except showers in northwest tonight: tomorrow increasing cloudiness
and showers in west and central portions. East Texas: Generally fair, except rain on east coast; strong north
to west winds on east coast; moderate
winds on west coast. strong north
to west winds on east coast; strong forth
to west winds on east coast; moderate
winds on west coast. Strong north
to west caust. West Texas: Generally-fair, except probably showers in
extreme north portion.

New York—Very small business. Some

New York-Very small business. Some itside selling with traders doing little, waiting developments. Any decline day will come from long selling. Trades afraid of storm.—Hutton. re arraid of storm.—Hutton.

New Orleans—Texas spot and crodvices bullish; good demand in Norticexas.—Damage by insects continues
complaints over Central and North Texs of heavy ratio plant dying.—Beer to
texas!

Chicago-Marshall Field and compa Chicago—Marshall Field and company in their weekly report of the dry goods trade Saturday may: Current wholesale distribution of dry goods was very much larger than during the same week a year ago. Orders from road salesmen for immediate delivery showed large gains over the same period of 1918. Orders for future delivery are quite satisfactory. The number of customers in the house is approximately the same as during the corresponding week of 1918. Collections are excellent.

#### Grain.

Chicago-Considering the early 7-cent sreak-in September corn the later months heid well for a time. Buying femand, however, poor and looks as shough the trade is afraid of some fur-ther weakness of cash corn. Some self-ing of oats on Broomhall's intimation that the foreign demand will continue exceedingly dull.—Wild to Shepard & Gluck.

Chicago, —Forecast grain belt: Iilinois, Misnouri, North Dakota, clear tonight, Sunday probably unsettled: Wisconsin, Minnesota, probably showers tonight and Sunday warmer; Iswa and
Nebraska unsettled tonight, generally
fair Sunday; South Dakota generally
fair tonight and Sunday; Kansas, party
cloudy tonight and Sunday.
Chicago. —Becciving bouses say coun-

cloudy tonight and Sunday.

Chicago.—Receiving houses say country offering quite a little cash corn.

Chicago.—More stop orders in September corn at opening and today ought to clear the September and cash corn situation.—Dennis to Clark.

Chicago.—Based on government estimate that there is 4.5 per cent leas stock hogs on farms this year than last it suggests a total of 62,970,000. compared with 65,060,000 last year and 60,-218,000 in 1917.—Babcock to Clark & Co.

Stocks

New York--An irregular trading mar-

ket with specialties contributing most of the buillah activity is suggested by the latest developments. Oils continue to be favored as purchases on reactions even in quarters disposed to take a waiting position with regard to the general list.—Financial News.

Tenn. Sept. 2: girl.
Dave and Essie Williams, Forest Hill, Dave and Essie W

New York.—Wall street review says:
Stock market trading indicates conlence of investors and speculators that
sammonious relations will be restored
between labor and capital. Opinion
nore positive of failure of steel strike. New York.—The stock market responds to the suggestion that the unions will be controlled by the conservatives and the prospect that the farce in Boston will help rather than hinder.—Ettleson, of Bache & Co.

Cattle-Receipts, 1,250; for the weel nostly lower, calves higher. Sheep—Recolpts, 6,000; for the steady to 50c higher.
